

The diagram shows a rectangular window with a light gray title bar at the top. Inside the window, there are two text input fields, each preceded by a label consisting of two small squares. Below these fields is a row of five checkboxes, each preceded by a label consisting of two small squares. At the bottom of the window is a button with two small squares and the text "Submit?".

A screenshot of a GitHub repository page. The top navigation bar is light gray with the GitHub logo and a double arrow icon on the left, and the text 'cheung??' on the right. Below the navigation bar, the repository name 'cheung??' is displayed in a large, bold, blue font. To the left of the repository name is a small profile picture of a person with dark hair. To the right of the repository name is a blue link that says 'cheung??'. Below the repository name, there is a section for repository statistics, including '4' in an orange circle, a blue icon of two people, and a blue link that says 'cheung??'. The main content area is currently empty.
